

Model Génération

This is an intergenerational dream home! It was ideally designed to accommodate a large family under one roof and every detail is in place to ensure seamless cohabitation. Each part has a separate entrance to ensure everyone's privacy, with shared access on the inside. The house has three bedrooms, including a spacious master bedroom with a treasured reading nook. Residents of the apartment annexed to the main house can be close to members of your family while still going about their day-to-day activities.
