Model

Héritage

This intergenerational home was designed to accommodate multiple family members and meet all of your needs. Each apartment has its own rooms, allowing family members to be independent, while still being close by. This home has a number of attractive features, including a large entryway, a functional kitchen with a central island, and a walk-in closet off the master bedroom. The common spaces are well distributed and the bedrooms are set off from the rest of the house.

Multigenerational house • Style classique

4 rooms • 2 + 1 bathrooms • 2 living rooms
